Dream Homes Real Estate, Inc. is a new-generation real estate company listing and selling new and existing properties in the tri-county area of Southeast Michigan.

What is meant by a "new-generation real estate company"?

The officers of Dream Homes Real Estate have the follow skill set:

- ◆ 14 years real estate experience
- ◆ 20 years sales experience
- ◆ 30 years experience in the hi-tech industry.

With these collective experiences, the founders of Dream Homes Real Estate have incorporated today's latest technologies into the real estate industry.

Dream Homes Real Estate, Inc. is an organization that is built on the highest level of business ethics, integrity, and legal practices.

Communication

Because the owners believe in constant and never-ending improvement, we feel it is extremely important to provide our clients with constant communication and feedback in a professional and timely manner.

In addition to traditional methods of communication, the owners also use modern technology (email / internet) to provide round-the-clock service.

Education

The owners of Dream Homes Real Estate hold both Technology Degrees and Business Management Degrees.

We have also been educated in the following courses:

- ◆ Professional Selling Skills
- ◆ Effective Negotiating
- ◆ Creative Financing Techniques

THOUGHTS

Charlie's mission is to help individuals view their lives differently --

with less anxiety,
open to the possibilities they have
within themselves,
and open to all the world has to
offer them.

It is inspired by countless positive thought sources,
including the following idea from
A Course in Miracles,

"...seek not to change the world, but
choose to change your mind
about the world."

Charlie invites you to explore this website and view
your life differently.
